As per the notification cited (1), University invited applications for Continuation of Provisional Affiliation for the academic year 2021-22 from colleges for courses affiliated to the University. The Principals of Pharmacy colleges mentioned in Para (5) below have submitted the application and remitted required fee for Continuation of Provisional Affiliation for the year 2021-22.

2. Considering the situations due to covid19 pandemic, Governing Council vide decision cited (2), decided to give one time exemption to the colleges satisfying any of the following conditions, from inspection for the grant of Continuation of Provisional Affiliation for the academic year 2021-22.

i. The colleges whose first batch of all courses are passed out and no major/minor deficiencies were pointed out during inspection conducted for the grant of continuation of provisional affiliation during the academic year 2019-20 and inspections were not conducted for the grant of continuation of provisional affiliation during 2020-21.

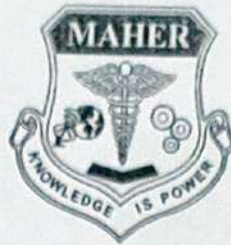

ii. The colleges whose first batch of all courses are passed out and no major deficiencies, but with minor deficiencies/no deficiencies were pointed out during inspection conducted for the grant of continuation of provisional affiliation during the academic year 2020-21.

iii. The colleges which will satisfy any of the above two conditions, if exempting the norm that the first batch of the students of all courses admitted in the college under EWS quota in various UG, PG courses and /or under super speciality courses(starting/enhancement of seats) were passed out.

3. Hence inspection is not required in the following Pharmacy colleges for the grant of Continuation of Provisional Affiliation for the year 2021-22. The matter was placed before 63<sup>rd</sup> Governing Council and the GC vide decision cited (3), decided to grant Continuation of Provisional Affiliation to the colleges mentioned in the table below for conducting courses with annual intake
